

iPad Information

Each iPad cart contains 30 iPads with a base district image.

App Requests:

Teachers may request both free and paid apps. However, paid apps must come from the Education Store and are contingent upon availability of funds designated at the school level.

To Request an App:

Please complete the following form: [*App Request Form*](#) located online

Requests will be reviewed periodically by both technology and curriculum personnel. If approved, apps will then be sent through the district Mobile Device Management system for installation by designated personnel at the school level.

App Reviews:

Below are sites to help you review apps for your classroom:
